

BOONE COUNTY GOLF

**CLOSED**

**TILL FURTHER NOTICE DUE TO COVID-19**

As part of the Boone County community, we want you to know we are committed to the safety and health of Boone County Golf's guests and employees. Due to Governor Beshear's orders, Boone Links Golf and Event Center as well as Lassing Pointe will be shutting down at 5 p.m., Wednesday, March 18th. Governor Beshear did not give any indication when we would be permitted to re-open at this point. Because of this uncertainty, all future Boone Links and Lassing Pointe tee times, leagues, outings, clinics, and lessons are cancelled until further notice.

We will continue to monitor the situation and comply with all guidelines put in place by the Northern Kentucky Health Department, the CDC and our local, state and federal governments.

Once we have a definitive date of when we can open again, we will post that announcement on our website: [www.boonecountygolf.com](http://www.boonecountygolf.com), as well as our social media accounts and email database. I look forward to seeing everyone's smiling faces when we are able to re-open and make use of the two wonderful golf courses that Boone County has to offer!

Please take care of yourselves and your families.
